Order forms may be returned to your child's teacher, dropped off at the greeter station or put into the PTO drop box in front of the office.

Intro to THE MAX

Each year the Maxey PTO hosts an adults-only event called "The Max". This event is the largest fundraiser of the school year and is used to generate funds to provide enrichment items for our students and teachers. Through generous donations, Maxey has had the opportunity to purchase a mobile computer lab, playground equipment and other classroom items for the students to utilize year after year.

"The MAX" event is organized by a committee of parent volunteers and provides an evening of fundraising through silent and live auctions, food beverage and fun. The evening is an opportunity to get to know other parents, have a night out and raise funds for our school.

Throughout the school year the committee will be providing parents, teachers and our students with additional details about the event and encouraging participation and donations. We know we have many parents with great ideas and talents that will ensure a successful event.

The first "CineMAX" planning meeting will be Thursday, September 10th at 12:00pm at Scooters, 84th and Van Dorn. If you are interested in volunteering and not able to make it to the planning meeting you can contact Angela Barry at 420-1750 or Dawn Colón at 483-0723.
