Gritty Kid of the Week
With our school-wide theme of GRIT, we are encouraging students to work hard and keep trying even when things are challenging. The students are really taking hold of the concept and showing great effort! Students are being recognized by their teachers for showing GRIT and are earning mustangs that they deliver to the office and get hung up in the lunchroom. Each week we are recognizing one student who is nominated by teachers and administrators as "The Gritty Kid of the Week". The student is announced during the morning announcements and has their picture hung in the main hallway for the week. Our "Gritty Kid" recognized this week:

Digital Citizenship Tips

Would you like to have a conversation with your student about staying safe online? Here are some questions to get the conversation started:

- What information should we share with others online and what information should we avoid sharing online (address, phone number, passwords, and other personal information)?
- What websites should we use when we go online?
- How can you protect your digital reputation?

The Temperature Is Dropping!!

As the temperature drops, students should be wearing more layered clothing to school. If the temperature drops below 10 degrees with wind chill factor or if it is snowing/raining, we will have indoor recess. It is very helpful to have your students name written on the tags of their jackets. Many coats and sweatshirts show up in the lost and found on a daily basis and if we can read a name, we can return it to the owner. Outdoor recess is two times daily for students.

Snips from the Maxey Handbook

Lost and Found

Most lost articles that are found are brought to the Lost and Found area in the vestibule at the east end of the main hallway. Whenever possible, label your child's articles. Encourage your child to check periodically for lost articles. Articles not claimed by semester break and at the end of the school year are donated to a local children's charity.

The Lincoln Public School District does not discriminate on the basis of race, color, national origin, religion, sex, marital status, sexual orientation, disability, age, pregnancy, childbirth or related medical condition, genetic information, citizenship status or economic status in its programs, activities and employment.
